I am sure that a few months
has rendered - my young father
his health. The interest which
paid here to James has been
well. Amount to the day. I am
in town at 20 p.m. and
Arman. I am sharing the
it is in view of time. I may
mention one circumstance as
a proof of our anxiety to get
out of debt here @ 10 p.m.
the month he has had no demand.
I do my share of domestic work
My good wife is a slave but some
chattel me. The children help well.
I am obliged to the Sign of my
School to keep in the front
primary & graduates of Cambridge
but no salary & low wages
he does not object to lend his
a hand at other duties.

My best friend me very
bravely employed. The Teacher
for Australia with is getting on.
I am in subscribing to help
to bring out this important work.
I am the Rev. Henry that in my
pastor. Mr. Mappin has been
asked after Mr. Lin on a Sub-
Committee to organize in Adelaide
Polytechnic. On Saturday I
presided at a General Meeting
of the "Australasian Association"
We have been a valuable
summons to our friends in Western
Australia. I am not idle.
One thing - I mean mean again
to neglect my School for objects
Foreign Thirst.
My dear wife & children have
excellent health. My head is better than
it was in Oct. though I work harder.
