VIEWS OF TASMANIA.

THE VERY BEST ASSORTMENT IN THE COLONY.

MAGIC LANTERN SLIDES FROM ALL SUBJECTS.

THE ABORIGINALS OF TASMANIA,

"THE LOST RACE."

We would specially direct the attention of all interested in anthropology to this set. They comprise nearly all the pictures taken of this extinct people. From very fine drawings (in the Museum) taken in the 30's, photographs taken by Bishop Nixon in the 40's, and C. A. Wooley, Esq., in the 60's. Also photographs of Tasmanian Half-castes, taken by the Bishop of Tasmania in 1892.
