Sept 2nd / 85

My dear Mr Clark

I was thinking of coming in to see you but have been so busy lately, & now cannot leave the house this afternoon having a committee in hand; so I write a line to ask you whether you have any idea of standing for the Brighton election. I am told that no one up there cares very much about it, that

The most likely man is
Bisbee, but that he does
not care very much for
it. It is possible that
there might be an easy
victory, if not a walk
over for a good man. If
you can drop into the
House this afternoon or
evening I shall be glad
to learn your views on this
matter.

Yours faithfully
B. Stephen Boree
