

FLAGSHIP OLYMPIA

July 29, 98.

Dear Sir,

I have had much pleasure in reading your letter and the clippings you were good enough to enclose. I thank you most heartily for your interest and sympathy.

One of the

pleasing results of the
war between the United
States and Spain is
the strengthening of the
bonds that bind the
Anglo-Saxon peoples.
Already I have had
many witnesses of it,
and I shall continue
to hope that the day
is not far distant
when a federation

of the English speaking peoples will
be the most potent factor in the ad-
vancement of civilization and the abo-
lition of tyranny and oppression.

I regret to state that
Leonard Stockton is not of my Command.

Thanking you for your
kind invitation to visit Australia

after the war - a visit that would
afford me much pleasure. I remain

Very sincerely,
F. Dewey.

Mr. Justice Clark,
Hobart, Tasmania.
