

Petersham,  
Sydney.

Nov. 14/83.

My Dear Sir,  
Mr. Edwards kindly  
sent me your letter to him  
in which you announce  
the advent of an "Angel  
in the House". We can  
easily postpone our visit  
& will do so holding  
the pleasure of coming in  
reserve till it is quite

Commitment to the arrangements of your domestic circle.

We've been trying to get Conway for a morning service at our Church but, though he is perfectly willing, his Agent is Master & says "no!". He frankly confesses it's a question of "L. S. G.". If people can hear Conway on Sunday for nothing they will not pay in the week time.

Unless we hear to the contrary, we will think of coming '6

be your guests for a short time  
in January<sup>next</sup> but will readily  
accommodate our plans to your  
convenience.

Believe me,  
Faithfully Yours,  
A. C. Cannon.
