Oct. 11

Dear Sir,

I have submitted your proposal to my agent Mr. Smythe, but whether he will be able to send me so far as Tasmania is doubtful. I have to leave Brisbane for Singapore & home on Dec. 4, so I have hardly more than time to lecture in Adelaide, Sydney, & one or two other large places. <sup>Hobart</sup>

I am under contract

with Mr R. S. Smythe  
(Cricket Club, Melbourne)  
and if it should be  
made worth his while  
no doubt he would  
be glad to send me.

If he should do so  
(but I fear it is very  
doubtful) it would  
give me much pleasure  
to see and talk

with you. I am grateful  
for your letter and  
shall much regret  
if our engagements  
shall prevent our  
meeting. I am very  
busy and cannot  
find time to do  
more than write  
this note in answer.

to your kind and cordial  
letter, - but I assure  
you it went to my  
heart. Shouldn't not  
meet here or in Tasmania,  
and should you come  
to London, I hope  
you will find me  
out.

Faithfully & heartily  
Monroe D. Conway
