My dear Father

Enclosed is the list of things
in my Chest of Drawers, I hope they will
all arrive safe as I have taken the
pains to wrap the piece of woollagging
sent by Mr Adey for the wool I hope
there will be enough if not, we must
apply for more, Your hat is still under
Mrs Lords charge, and it is settled
that I am to finish with the Bank
next Saturday: when I shall make
my departure from Hobart Town
with best love to all at home

Your dutiful Son
