Dear Sir, I wired you today
to meet me at our new me
at Roquais Hotel Buffalo
next Saturday & Sunday
but my wire to this same
address has come back
"wrong address".

In event that
this finds you in time
and that you can meet
me any where, I have
decided to sail by Paris
June 9 at latest &
shall stay a week
at Broadway Club

N. York prior to that,

But it is just possible we may come down earlier to N. Y. and may try to find a berth on an earlier steamer. So you can have a letter to me addressed very fully & legibly to me and if I can I will find you

Yours truly, J. W. B.
