Dear Frank

I have just space to say that
the bachelors of South Australia were a bit
to the ladies which went off in good style
and we got up - I did not go to it myself.

The ladies are very gay in S.A. having the night
parties etc - when we get a good house
up you and Mamma will perhaps visit us
where in Adelaide you will find very
good society with love to Mamma

Dear Frank

Believe me
affectionately
Your brother

I wish with you and Mamma
a long & happy soon but at present
my mind is full of - with pursuing
about the clothing part the two
months or a year -
