The Government is going to buy out a town  
 ship which I have bought out and try and  
 buy an allotment or two at present John  
 was as do better in the bank as we have  
 no Millard man in our neighbourhood and there  
 are about 100 souls or in the Portland district  
 there are many very clever professional men  
 I see there has been a survey taken of 20000  
 acres of King's or Portland copper mine in  
 the actual territory; I suppose I cannot be  
 better than I can send the work through Ruff  
 this next season or to B. & S. Dexter & Co  
 aimed if it can be shipped direct from Portland  
 P.P.

Dear Mother  
I received your kind  
letter of the 10th inst  
and was glad to hear  
from you and to hear  
that you were all well  
and happy. I am well  
at present and hope  
these few lines will  
find you the same.  
I am writing you a  
little of the news  
of the country. The  
weather is very  
pleasant here now.  
The crops are all  
growing well and  
we are all well and  
happy. I hope you  
will all be the same.

can't go to the bank being

London you a Cheque for twenty pounds  
on account of the quack - Messrs Walker  
of going sound by Melbourn when he  
will want some cash and I will  
give £20 to him

He would have a much better chance  
at Scotland if he would only attend to  
his profession and he get oblige  
for then one or two hundred men  
who are shalshah men would soon eat  
out with him and then practice  
he would require £200 to get done  
up - His is only the name of two  
medical men being in Scotland that

have want of Charles Jones

We have a clear run from common

to wait to break much in the back  
but if he shape make the eschier  
part of the summer I am thinking  
of going 100 miles, north west of My  
station to see if there is any country  
fit for sheep - but I am afraid  
we shall not find it good as we  
have got

My kind love to my Mother and to  
those much obliged to her for her  
kind present My love to Sarah - and  
brothers hoping you are all well -  
I am  
Yours affectionately

I have received two letters from you without seeing  
the guns have come - I am happy to say we have  
not required them lately. The Blue Mts are not  
having trouble at - I have known on the first  
for \$600 at 20 days had 40 days - avoiding the war  
I hardly know what to say about the settlement  
at Rock yet as there would be nothing many
