My dear Father:

The Lady Mary Betham
 is expected in Knowly - when she
 will sail in a few days having no
 cargo but Horses, to take in,
 I might return to Rosedale
 for a few days but if not I
 wish let you know in due
 time I feel myself tolerable
 well only having a slight pain
 in my shoulder. -

Peed has not ^{yet} given me any
 amount sales of last years
 wool -

he appears rather cool I
suppose not pleased at my
not giving him the word
I see by the Gazette that
you are out of the Council
why did the Governor say
so before - It appears to have
been nothing but bother to you
~~it appears that~~ bouncer does
a great deal
I would not take up my
time with such a Government
~~decide~~

I have given leave to take -
~~at~~ without John's -
Richard's shopman sent the paper

by Padfield -
I wish King's Love to all
at home
