Dear Judge Clark:

Your great kindness
in sending duplicate sets of the
books is much appreciated, although
the first set finally reached me.
The two sets will both be valuable
and will both be used. You may
be sure that your friends and the
friends of good government through-
out the United States are watching
with great interest the progress
of the Australasian confederation.

Sincerely yours,

Albert Bushnell Hart

Judge A. Inglis Clark.
