My Dear Father

I have received your letter of the 3rd or 4th of this month and thank you for the trouble you have taken to send me the wool at Portland.

I am now in town and the security for the money you sent me the wools have been taken in time but for the last three years - I have by better attention to getting the wool better markets but shall get good prices.

Amelia is with the family and I expect - I sold a lot of wool this time but got middling prices - but not best - I see that you will see that we could not ship wool from

Respectfully
Amelia
