

L. 1/18. 164

Morning Dec. 5<sup>th</sup> / 1849

My Dear Father

I have received yours of  
Oct. 23<sup>rd</sup>. In reply I must say  
you need not be worried about the  
money advanced - double the amount  
is now in the wool sheds and  
you have security to the amount  
of £14000 <sup>secured</sup> which you were  
quite right in reminding  
me that I should have done  
myself -

I must have one shilling!!!  
advance the Market warrants  
it - I can get it in Portland  
with only two shopkeepers  
Peregrino

We have Money & Hearing, No hurry

I do not want money to be laid  
as now has been measured for  
100 acres applied for by me =

You have security on 20000 sheep  
and cows - and I could give  
further security on 15000 heads  
of cattle 50 Horses and 600 acres  
of Land = if I shall require  
money -

I had old Mr Reeves a day  
with me the day \$10000 for  
an annuity might be made out of  
my land = and I think the is  
not far wrong. We want  
cheaper labour and fair markets  
and then it can be done -

Ed has <sup>to</sup> not been <sup>well</sup> got Rheumatic  
Gout - and I have had a

having gain in the left side the  
Lake Holloway = we have no change  
of diet - principally flesh and this  
season is backward - cold -

I write often I hope you get  
all my letters = I missed one  
of yours last year of great  
importance = queries Mr

Leun would gain 9d last  
year and only 10d this with  
wool 6d pd higher, - Port Phillip  
wools have sold in only sales at  
2/6 till 10 =

with love to all at home.  
Glad to see you are all well -

I remain your  
affectionate son  
R R Leun  
I expect this  
clip with <sup>to be from</sup> ~~some~~ 1/4 to 1/6  
in London =
