Wobland Feb. 11 1850

My dear Father

I have not heard from
you for some time. I have
got up my wool down but
73 bales which will be down in a
week - Crankshaft has not shipped
to port as he might. I have 1000 lbs of
Lacey fine 1st bales the rest will be
shipped in a fortnight - I have drawn
\$1000 on Brown & Co for \$1200
The rest I will draw when all
the wool is shipped - as soon
as the last of the wool is
shipped or the interest -
will ~~be~~ cease as I wish

I shall require 1/ on the flour
and 1/2 pence on the Loaves
There are 107 1/4 nett weight
at the Station which weight
Does not vary with the merchants
beam - I sent you samples
which I hope you have -
The list is good we have got abt
one of all but except 10
of the last numbered bales -
I shall draw on brown for
on other £ 800 in all £ 2000
I have had £ 3000 the
advance on 107 6/4 & will
come up £ 190 given by the odd
7 1/4 for Loaves which is over

The quantity

I shall have to borrow £1200. for
next year and then if possible
we find I shall clear myself -
I have account books of ~~1818~~ 1819
values of last year it will
not run if it unfortunately
get into the low market of
Sept. I have 200 more
which I hope to have a good
amount of -

we are both well &c -
The goal is in fact the
he should take plenty
with him home - hoping you
well -

Yours

Your affectionate brother
