My Dear Father

I have received yours of
June 5th.

I have taken up the Book of
Sale it is off the Register -
Before this Brown & Co. will have
got up the Wool.

I will take Williams just offer
taken the \$1400 at 8 p cent -
and send the wool as above
to Messrs C. McLa. & Co. -
Smith money has been shipped
from Portland to London.

My Brown & Co. must insure it -
I take ahead to take it -

you. My agent counter
acceptances I see it is not safe

I would have come to O.K. -
only that I have had so much
travelling - and it is expensive
to come about £-5000 between
this and West. Much on
a property of £-25,000 I shall
clear it off best clip -

I am selling fat stock sold
100 bullocks last week at
£-3-10. a low price - the market
is rather low. I have
2000 sheep and 10000 what
I expect of I shall buy some 100
more bullocks in I shall then the
meadows - and send them after
Sherry when I expect the market
will be better than last year or
as good -

I do not like Australia having
in it so long - it is in a pretty place
and I am often to see it -

I shall want the Money in Sept.
on Long on better similitude to
the Union Bank Portland
Mow & Co must give me a good
advantage - what the Market will
admit as you both make that
Bargain for us - I am by it will
be $1/2^a$ if market but good

I hope you are all well
I am well I have got rid
of my cold
With kind Love to all
at in O.H.L.

I remain your
affectionate
son

R.R. Pease

Or we want much a change of
Rams some good stock rather
strong could you take us some
on with they suit 50 to 100 we
should require
