

Auckland

May 12th 1851-

My dear Mother -

I arrived in Auckland
 after an & long journey. in pretty
 good health - Auckland appears
 rather than this time last year -
 Ed does not look from since
 he left Portland - he is very
 neglected in not writing I had
 of his arrival in Melbourne for
 Plymouth but I did not know
 of Arthur's arrival - I should
 have great pleasure in his
 company over and during his
 and we can accommodate
 in a stranger -

Brown & Co has not committed me
£1000 part of the amount of stock
left assigned upon I hope they
are a perfectly safe House -
for I have had Mr Perry's lessons
I get spent - I am now out
£2000 with 2 years interest - with
a ~~large~~ lesson that and
a large Cattle dealer I may
get 10% or 15% on the £20 some
way - I must have a large
surplus from my Club of 1949 -
I see some want from 1/2 to 1/3 -
there is every prospect of the wool
market turning up

The Wheat market in Adelaide is from
1/2 to 1/3 farmers are busy getting in

These Lands -

I am getting down a lot of fat haddes
I expect to get from 12/1.14/ for
them from 5 to 6000 -

There is a great want of meat -
the same in Melbourne you will
get good prices for you mention

I hope you are all well
in O.S.L. - with my love
to all -

I remain

Your Antipah
