

My darling - I would not
take off to a few years -
I am tired of being in the
back of our country, and he
isn't but a wilderness for
the last 20 years -

I have been going to Portland
the bank house, both of them
at the bank, the bank and
the 17 years - and 22 years
ago, horses were at the bank
I want good horses I think
I will buy and get them in
the next year -

Love to
you
and
the
best
of
good
health -

I remain your
affectionate son
