 Sept 4 - 1860 -

My dear Father

It is some time since
 I had the pleasure of writing to
 you I should have been over
 to have seen you but I was
 afraid of the cold climate of
 Indiana I have been a
 very obstinate cough - had
 it for I was the cough it
 in my trunk to - Indiana -
 I do not like this climate
 of the Southern part of New
 York - nor yet do I
 like it drills - lots of pasture
 but nothing sweet about
 it I prefer - Indiana

I have made a goodly estate of
40000 and I have some
doubt on it an eight of its value
which the Estate can easily
pay off - by doing to me -
I have made a wife -
for life is uncertain -

I hope you have recovered
from the influenza it has
been a very trying year -
I have had it very severe
and have now got it -

Ed. lives on the Glenely near
its mouth like a large
deflecting on things - the
has got a good house -
he says it is the most healthy
place in the neighbourhood
then after being a number of
years went to the

I much gave up my business soon
for I felt as though I could not
come it on my own —
I took up my stock and
let my ~~land~~ lands = some for
pasture some for Agriculture —
Melbourne has you fine a kind of
Colonial Towns — some splendid
buildings =

With kindest regards.

to my brother and sister
I hope Wm is well I do not
know much about him —

I remain your
very Antipah and affectionate
son

Robt. Ronald Galle.
