

Leicester
Sunday Evening

My dear father

I received your package.

The groomer left Leicester just
for Dr. Walkers of Phoenix - He is to
be with you tomorrow - I should
have great pleasure in being at
Roxbury tomorrow but business
prevents me - I had two letters from
Mrs. Mearns she gives me some
little bad news a ~~few~~ of the
house of Johnson would himself borrow
a ~~little~~ of my son I had you be
I should about it -

any thing else up to July 1st was
going on as well as could be
expected -

I have enjoyed about the same
feeling she is expected about
the end of the year to come
with her family to live in 10 days
from this. I shall want to get
some more to do a good many
jobs to be done by the
John had better get his horse used
to the work.

The horse I got back the
other day. My presence ^{may} be
wanted. I shall take
Garrison's horse over
upon the whole. I have been
with though I suffered from

He had yesterday, and had been
to say, but I am I shall better know
with the knowledge to say in other
and in the family of
