U. Ingles Clark - Esq.

My dear Sir

I have just received your letter
of the 28th & hasten to reply to it.

I regret not having had the
pleasure of seeing you in Rome at my
Studio or later in Florence - & I beg
you to accept my warm thanks for the
kind notice in which you are pleased
to speak of my works both in literature
& in sculpture -

Please tell me frankly what
you are willing to pay for a copy of
the group of "Int. the Silent Land" -
I will do my best to meet your
wishes - My price for it, full-size,
as you saw it in Rome is £1000 -
and I should certainly recommend

You to have it of that size - But
You know best what you wish and
what you can afford to give - So please
tell me frankly - & I will see if it
is in my power in any way to meet
your wishes.

Of course as you see it now in
my studio - it is merely "blocked
out" & you see it to great disadvan-
tage - in its unfinished state.

I shall probably return to Rome in
October - & if you are passing through
Rome on your return I shall be most
happy to see you at my house (Pel-
aggi Batorini) or at my studio. In
De Vauvres I am at my Villa at
St. Monty in the Haute Engadine

I see also I should be happy to see
you if your path lies this way

Please address me at Villa

Yours faithfully
