Hon. A. Inglis Clark,  
Supreme Court Chamber,  
Hobart, Tasmania.

Dear Judge:-

I was pleased to be reminded of you a few evenings since by Capt. Stevenson, who told me of the presence here of your son.

I shall take pleasure in introducing him to Mr. Leavitt, and some of the young people of the church, as Capt. Stevenson has suggested, and trust that his stay here may be made a pleasant one.

I have thought of you several times since your absence, in connection with municipal affairs here, because of your intense interest in all things American and Californian. I am going to send you a copy of last year's volume of the Merchant's Association Review, and shall place your name upon the mailing list, feeling that you will be interested in the work of our Association.

Trusting that you are quite well, and will find the time to make us another visit before very long, I am,

Yours very truly,

*Frank J. Symmes*  
President.
