My dear Attorney General.

Hope you got home all safe! You will see by encl? that our wish fluttered the keeper of the flowers. Please tell Esua that I spent Thursday morning looking out for a photo (of self) for her. I could not find it or sh? have gone down to Pateua with same. Will get one taken for her. In today's leader (atticus) I utilise the joke you told me of. Kindest regards to Mrs Clarke Esua, the young Black Republican my friend. Yourself
