

The Parliament of the Commonwealth.

28/9/25.

Parliament House,

My Dear Justice Clark, Melbourne.

Many thanks for your letter, & kindness in forwarding copy of American paper. I think it especially significant to find deportation put forward as the only solution of the race problem in the States. I was interested, too, to notice the reference to the opinion of Lincoln, as to the impossibility of the negroes living side by side

with the whites. I had
not encountered the reference
before, but he evidently had
the gift of prophecy in this
connection.

I share your regret
at our missing each other
in Sydney, & hope to get
an opportunity for a talk
later on - perhaps during the
coming summer.

With kind regards,

Sincerely yours,

J. O. Watson
