Champerden Road

27/10/97

Dear Sir

If it is not too late  
would you kindly favour Mrs Aspinall  
& myself with a pass into the House  
to night.

And allow me to thank you for  
the straightforward honest and unselfish  
stand you have made for the right  
you have indeed let the people  
see when their interests are at stake  
they have a representative they might well  
be proud of. One who will stand for  
the right if he stands alone.

And I am sure by all that I have  
met and spoken to you have the  
large majority with you in the  
gallant stand you have made

yours Respectfully

A. H. Aspinall

To the Hon A. J. Clark
