Mr. Hon. A. J. Clark  
M.H.A.

Dear Mr. Clark

Permit me  
to offer my sincerest  
congratulations upon the strain  
you took in the House of  
Assembly last night  
which it does me good  
to read the report of.  
I heartily hope we had  
still a member of the  
Government who has  
the pluck to act on  
the side of right as  
against - party!  
Believe me you have  
the sympathy of the

whole of Hobart. and  
we hope yet to see  
Mr Reinier of the Colony.  
we should like to  
tender you some sort  
of public honor, how  
shall it be? by a  
banquet or what?

Yrs. very sincerely
