

CHEMIST TO  
HIS EXCELLENCY THE GOVERNOR  
THE RIGHT HON. VISCOUNT GORMANSTON, K.C.M.G.

Hobart

October 21<sup>st</sup> 1897

My Dear Mr Clarke

Just a line to say  
that for the future put A. P. Miller  
down as one of your active unpaid  
election agents. As you know for  
many years I have taken no part  
in politics, but henceforward my  
support and best energies are at your  
command, and it will be a  
real pleasure to exercise them.

in your behalf at any time and  
under any circumstances

Believe me

Yours very sincerely  
Andrew J. Miller
