My dear Andrew,

Just a line in reply
to your last.

I did not send the odd
vol. of "The Religion of Israel"
with my last letter because
I hoped to find what you
wanted at some of the
second hand shops & that
then I could send them
altogether. I have gone
the round of these places
and cannot get what you
want. At one of the shops
(Scott's in Swinston St) I

found one Volume of the
E. & M. Harvey & this was
"A candid Examination of
Theism" by "Physicus".
The price was 5/6 (1 Vol).

I send with this the
volume purchased at
Robertson's.

I saw Mrs Webster
last Tuesday evening -
She got your letter & the
"Register" - Dr Lamin had
informed her of his approaching
visit to Tasmania as your
guest.

Wishing to hear from
you shortly. In great haste
Yours affectionately yours
S. W. Atton
