KLINGENDER CHARSLY
& DICKSON.

Dear Andrew

Bank Place,
Melbourne ^{20th} Auct 1879

Please send me by return post, if possible, a copy of the Launceston Examiner of 28th Auct July last containing (I am told) the Mining Report of the Managers of the Staunhope Tin Mining Coy. I have sent most of my savings in this affair & some rumors have made me anxious. I am dreadfully busy & not very well. With kind regards to Mrs C. Believe me in haste,

A. Inglis Clark

Your affectionate friend
