Dear Sir:-

Referring to my letter of May 12th, I would be obliged if you will send me a description of the painting by William Piquenit, the artist, and also a description of the style of frame, if it was framed when you left it with Mr. Thompson. I am on the track of a picture which may be the one in question. With the aid of the description asked for, I hope to be able to locate it.

Very truly yours,

Samuel Oppenheim
