My dear Andrew

Thanks for your last
kind letter. You need not have
troubled about the Enclosure;
I am in no need of money
and know that you must
have been put to great
Expense lately - This is in
no sense a Reply to your
letter for I have a great
deal to say to you in my
next which will come
quickly on the heels of
this - Last night I got
the intelligence of your last
loose ship letter & to day
attended to it - I'm sorry to
say that after hunting about
the post office for some time

I find that Mr. Martin, who
out of Town on leave & that
his whereabouts and probable
return are unknown and I
have been therefore unable
to return your M. S. S. —

However see Mr. Tapp, who
is connected with the Review,
to morrow & may perhaps be
able to get your articles — (I'm
writing at home)

I'm extremely busy. A
heavy County Court case to
morrow & Judge Fellows'
funeral to attend — Besides this
I have been appointed one of
the scrutineers for my Francis in
the West Meck Election on
11th inst & have a great deal
to do — Please let my brother
know that I am writing home
by next mail by which I'll
send you the Review — I also send
you to day's "Signal" containing
an obituary notice of the late Mr.

Justice Fellows - With earnest
wishes for your & Mrs Clark's
happiest health & in haste
believe me

Your affectionate friend

W. D. Hill
