KLINGENDER CHARSLY  
SOLICITORS.  
& DICKSON.

Bank Place

Melbourne 27 April 1882

Dear Andrew,

I send a few  
hasty lines to tell you  
that since the date of my  
last letter to you I have  
accepted the position of  
Managing Common Law Equity  
~~Practice~~ Clerk to Messrs Allen  
& Allen, Lobby, Sydney. The  
situation is worth £450 p.a  
& the term is for 2 years -  
I am also bound not to  
practice in Sydney for 3  
years after the expiration of  
my engagement, which is to

Commence on 1<sup>st</sup> Aug next.

I have not yet given  
KCTD notice & there will  
be a great row when I do,  
as there is no one in  
Melb in any way competent  
to succeed me, & one of my  
objects in writing. This is  
to ask you if you know  
any dissatisfied young  
Lob in Hobart who would  
like to take my place—  
The situation is a good one,  
there is chance of advancement,  
& he would have my  
personal assistance &  
supervision if he could  
come at once—

I have not yet broken the  
news at home but as you can  
imagine I have much to do before  
I can start & I have not yet  
been able to arrange my plans -

I would like you to have  
the news conveyed to my brother &  
to Dods - It is of course partly  
attributable to the former that  
this step is taken -

With kindest regards & in  
great haste

Believe me

Yours ever  
Wm. H. Hall
