My dear Andrew,

This will introduce
to you my friend Mr
Walf Lisk of whom
you have often heard me
speak. I owe him a
deep debt of gratitude
& I hope you will
therefore try to make

his impressions of
Tahmania as pleasing
as he is by reason
of many conversations
with me led to expect.

I have been very
unwell lately unable
to answer your last kind
letter but will do so
shortly. With kindest
wishes for the New Year
I'm haste believe me
Ever truly
