

ERRATUM—THE GEOLOGY OF THE MT. ELEPHANT-PICCANINNY POINT AREA, TASMANIA

By

R. D. McNEIL

(Published in Volume 99 of the Papers and Proceedings.)

On the Geological Map of the Mt. Elephant-Piccaninny Point Area the names "St. Marys Porphyry" and "Adamellite" were inadvertently transposed. The symbol shown for Adamellite is in fact the symbol for St. Marys Porphyry, that shown as for St. Marys Porphyry is in fact that for Adamellite.
