Notes on the Cluster $\kappa$ Crucis.....	3
Meteorology for January.....	4
Analysis of Observatory Records for January in conjunction with those of Births, Deaths, &c.....	5
On the Poison of Venemous Snakes.....	9
Meteorology for February.....	14
Analysis of Observatory Records for February in conjunction with those of Births, Deaths, &c.....	14
Proceedings of the Society.....	17
Transit of Venus over the Sun's Disc in 1874 and 1882.....	20
Meteorology for March.....	25
Analysis of Observatory Records for March in conjunction with those of Births, Deaths, &c.....	25
Proceedings of the Society.....	29
Evidence of the Shell Deposits seen around Hobart Town, &c.....	32
Meteorology for April.....	33
Analysis of Observatory Records for April in conjunction with those of Births, Deaths, &c.....	33
Proceedings of the Society.....	37
Traction Engines.....	37
Account of the Introduction of Salmon Ova into Tasmania.....	44
Meteorology for May.....	48
Analysis of Observatory Records for May in conjunction with those of Births, Deaths, &c.....	48
Observations of the Occulations of Jupiter and his Satellites by the Moon.....	53
Notes on the Aurora Australis of the 8th June, 1864.....	54
Meteorology for June.....	55
Analysis of Observatory Records for June in conjunction with those of Births, Deaths, &c.....	56
Proceedings of the Society.....	60
On the Natural Enemies of the Salmon in Tasmania.....	62
Meteorology for July.....	66
Analysis of Observatory Records for July in conjunction with those of Births, Deaths, &c.....	67
Proceedings of the Society.....	70
On the Food of the Salmon in Tasmania.....	72
Meteorology for August.....	75
Analysis of Observatory Records for August in conjunction with those of Births, Deaths, &c.....	77
Proceedings of the Society.....	80
Meteorology for September.....	82
Analysis of Observatory Records for September, in conjunction with those of Births, Deaths, &c.....	83
Some Observations on Table Moving.....	86
Proceedings of the Society.....	90
Meteorology for October.....	92
Analysis of Observatory Records for October, in conjunction with those of Births, deaths, &c.....	93
Some Observations upon the Plants which are characteristic of Agricultural, Pasturable, and Bad Lands, respectively, in Tasmania.....	96
Mortality amongst the Trout in the Breeding Ponds of the Plenty.....	100
Proceedings of the Society.....	102
Meteorology for November.....	104
Analysis of Observatory Records for November, in conjunction with those of Births, Deaths, &c.....	105
The Attempt to introduce Salmon Ova by the Beautiful Star.....	110
Meteorology for December.....	115
Analysis of Observatory Records for December, in conjunction with those of Births, Deaths, &c.....	116
