Saturday till a past 4 o'clock yet I

Sunday ~~morning~~ breakfast.

You need not trouble yourself about
the Sea or Sugar both are very dear just
now & may fall before I go to Town
to see the Governor off. I shall then
send down a Cart to buy up your baggage
& your purchases from Mr. Andrew.

When the Court is known including the Court

the Court at three Month & I will accept
his so that the Court may be drawn before
they sail if it is desired. As to the other
things mentioned in your Mother's list you

may have them sent to Murdoch's store
on the Old wharf. I am going to send
the ~~two~~ feet of paper to Sturges who
will sell them by the quarter to his
friends so that I will pay Mr. Anthony
Carr for her book - The Butcher's
