

Ayrslawne
6th June 1862

D^r Sir,

In answer to your
last note stating that unless
the sum of 5£ is collected
here this would not be a
station for a box of books.

I beg to say, that the
members who have subscribed
in this neighbourhood would
feel much obliged, if you would

return their money; as they
had no intimation, whatever,
from you, of such rules being
formed, when you induced
them to subscribe.

I. Remain
