My dear Aunt

My dear Aunt

We propose starting
by next Tuesday's coach
on our visit to you.

Can you send over your
carriage to meet us.

Mother and Edward came
back from Victoria on
Sunday evening after a
beautifully calm passage.
Edward left on the Monday,
so he was not long away.
Mamma is looking with
great pleasure to her visit
to you only she fears
she will be a little
frightened at your sidelings.

hills but now the roads every one is most extremely
are good & if you are kind enough to send
your carriage I have no doubt they will
find them not so bad as represented. It certainly
does seem something after a person is accustomed
to travel over a perfectly level plain. We have
been enjoying ourselves very much we have been
to two parties one at Mansford the other at the
Athens & we are going to spend the day at
three places this week at Rhode Mansford
and Longford Hall

Kind to my wife & myself
Father was quite well when Mother left he
had taken to sea Bathing which had done him a
world of good. He is coming up to stay on his
return. He always liked Reading very much. I have
seen a good many people passing up & down the
country so it will not be dull for him. I hope you
got the cheque for fifty pounds I send you I
will pay you the balance when I come altho I have
not yet received Kemode

cent I will write him
again about it - I have
been pretty busy since
Edward has been away -
looking after his reaping
which is scattered at
from different farms
& cutting down the trees
which are spreading very
rapidly in this district
We are going to Cairick
to attend a sale - this
morning. Maria will
accompany me & stay
at the Masons who
live there. Maria joins
with me in kindest love
& regard to you and
Miss Benson. Believe me
Yours affly & affectionately
