

Northridge 10 May, 82

My dear Sir

We were truly sorry to hear from Wm  
of Mr Leakes illness. In the hope of hearing  
from you of her recovery - I write, because  
we are so entirely shut out from the circle  
of news, that we have otherwise no chance of  
hearing of the welfare or otherwise, of any  
friends - Maria who is also very unwell  
joins in kind regards -

Yours truly,  
Mr Leake Esq

W Wood
