My dear Walker

At last the book is out &
I sent you 4 copies last week but
I cannot remember whether I
wrote you at the same time!
having been overwhelmed with work.

Two copies are for yourself & one
for Mr Manton; the ~~third~~ fourth
I would suggest be given to the
government official through whose
kindness I obtained the maps.

I am anxious for your opinion
on the book; so when you have
 leisure may I hear from you.

Regarding the Paxton Moir stones
I have (strictly entre nous) very
grave doubts but both Tylor &
Balfour are against me & so I
give in to superior judgement.
You will doubtless notice consid-
-erable alteration in the portions re-
-lating to basketwork, stone-imple-
-ments & especially in the chapter on
Origin.

With kind regards & best
thanks for your valuable help

Yours very sincerely
Hy King Roth
