

RS8/B5

11th Nov = 1854

My dear Uncle

I am actually in Edinburgh
& have stood the horrible shaking
like a top. My beloved Sisters
are well & happy, & so very am I that
I cannot be like them. I slept well
last night, & am now looking out
on the Observatory Nelson's Monument
This is a splendid place.

All our best loves & I am

Yours affly

James O'Flaherty
