My dear Aunt

If it be perfectly convenient to yourself Kate & I will come next week to pay our promised visit to you at Mauriceston. We shall leave by Thursday morning coach Sept 1<sup>st</sup> if we do not find any vile waiting for us we will walk across the hills.

My Father <sup>& Mother</sup> just now are pretty well & as the weather has been fine this winter we can not

find a more convenient  
time than that named. Trusting  
our coming will not incon-  
venience you or disturb any  
arrangements you have made  
that you will at once write  
if such should be the case.

I remain

Your affectionately nephew  
Edw Weston

P.S. If you should send to  
meet us please let the man  
be at Blackwells old public  
house
