

Hythe Dec 23rd / 65

My dear Aunt

I enclose a
cheque for the amount of £
dividend on your bank
shares. I paid today the rent
on the land at the Lakes.

Maurice writes that he & his
wife leave Victoria for this
about the 28th inst with full
authority from Father to act
on his behalf. I am truly
thankful to think that you
she will be able together

to arrange satisfactorily
all matters in which you
my Father are conjointly
interested. Neither Father nor
Mother have any intention of
returning to Tasmania
just yet. In fact Maurice
says they talk of taking a
cottage in Geneva for a short
period. Dr. Caustant does not
recommend Father's return
to Tasmania. Kate sends
her love to you & Miss Bowne.
We shall be very glad
to see you could you &
Miss Bowne make it

convenient to come & stay
with us - Miss Merriam left
us this morning. She is
going for a trip to the
Westward. I forgot to men-
tion that Lawton unsolicited
sent a cheque for his cent.
Maurice will arrange about
the remainder of the cent.
Should they not forward
these ~~cents~~ before he arrives.

I remain

Your affectionate Nephew
Edw. Weston
