My dear Sir

I am truly sorry to be always
making mistakes in your acceptances - I enclose
the one you have written -

We are all much afflicted with Rheumatism
particularly my self & Wife

I am glad that your people turn out
so well and hope they will continue to
do so - what rations do you give

I allow mine 10^{pr} meat & beer 2^{pr} tea 10^{pr}
tobacco - I hope you do not give more

do you intend going to Mr. Brewster's Ball
if so you had better sleep night before
at our house

with kind regards

Yours truly
