My dear Sir

Having sent my wool to Mr Henty and it being better that I should sell rather than receive advance on it – will you have the kindness to give me your opinion as to its value it is very good quality and quite clean – I hope Mrs Leake is well – this is almost the first day that I have been able to walk out having been confined by a species of Erisypelas in my legs -

I am my dear Sir  
yours truly  
W Wood

Nearly 260 acres of my wheat having been totally destroyed I have resown it – and it appears to be coming up well – I have sent 1200 ewes this day to the Windfalls -
