

My dear Sir

I went into Launceston yesterday but no one attended. Mr Swan comes up this Evening

If you could come in ~~for~~ I think you might do me great service – but I fear you will not be able –

I am told Mr Swan still claims the agreement for 5s- altho Mr Cameron agreed that it should be annulled but Mr Camerons manager says that it is impossible he can do so when he knows the case

yours truly

W Wood
