

Snake Banks [illegible]

My dear Sir

I enclose my proposal for selling my Estate But as it is a matter of some doubt whether I shall do right or wrong in parting with it so I am not particularly anxious as to getting a purchase –

My reasons for offering it for sale are – That £11000 on mortgage would enable me to live without work – the remainder I might perhaps lay out advantageously here or new land – or at Port P – for my children –

The better feeling I have towards the Governor for his unjust behaviour towards me – and the dislike I have to many other colonial matters render me rather desirous to be able to leave them, should occasion require -

I am my dear Sir
yours truly
