Robt^h June 1836

Rec^d. from Mr. Lake Esq^r the
sum of Six pounds & three pence for
goods furnished to Mrs. Lockman

Sam^l Boston

Dear Sir

I rec^d. your letter with the
enclosed Cheque & according to your
wish now send you a receipt —

as I am a stranger to the
Rev. J. Mackersy it is impossible for
me to give an opinion for or against
him as a teacher & if you prefer
his school to Mr. Elliston's I can have
no objection I shall feel obliged if
you will arrange with Mr. M. — to
receive August on the commencement
of the next quarter you will probably
have the goodness also to inform us what
things August will be required to take
with him that Mr. Boston may get
them ready & whether I shall bring him
to your house or send him direct to

W. Mackersays?

With regard to the latter part of your letter I can have no objection as I consider it will be an advantage to me - as if ever the boy's services are worth any thing it will be towards the latter part of his time

Mrs Horton writes with love in best respects to Mr Leake yourself and family I remain

Dear Sir

yours truly

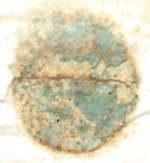

J^r Leake Esq

Sam^l Horton

P.S. Mr.orton informs me that himself or his Colleague will be with you (if nothing prevents) on Saturday 18th Inst.
