My dear Sir

I have this moment  
rec'd your favour of the 7<sup>th</sup> & M. Inty  
regarding the samples of Kams  
wool which you intend to dispose  
of. - The Letters have been lying at  
W. Harrison's they were accidently  
learnt they were there. - unfortunately  
for me I left home ~~late~~ before I  
knew or unquestionably I should have  
been happy to have been the purchaser  
I have made a purchase of M. ady  
of 5 the pack of W. Marshes, - and  
therefore I am precluded from making  
further purchase - they will be home  
to day. - I have agreed to send some  
my wool thro' M. A. who promises  
to charge

be no more than the actual expenses  
of freight & Com<sup>o</sup> in London, by which  
I am in hopes of receiving some advantage

I have been away  
for 11 days - a rare thing for me!

I trust this will find  
you & Mrs. Lake, and to whom  
I beg to be kindly remembered, in which  
but I could say, truly cordially yours  
pray excuse this hasty  
scrawl. I have much to do for  
to-morrow.

I am dear Sir  
Yours very  
truly

Wm Pitt

M. Lake
