Dear Sir

I am favored with you of
 the 22nd Inst. and am obliged. at yr
 request I now beg to say that
 it will not under the circumstances
 be in my power to pay for the
 sheep under 12 months - but the
 P^{ri}ce might be drawn up to Mr. S
 and a written undertaking given
 to renew it for other 6 mos. by
 paying the P^{ri}ncipal Int^r thereon
 the P^{ri}ce on this case will
 be negotiable. - I would not
 object to Old Ems. or Jacob.

at prices according - of fine wood.
~~Wholly~~ We hope Mrs Seales
in this position is temporary - to
whom Mr Pike & our circle desire
their best remembrance -

Yours dear son

Yours very truly
